

Roofing and Building Envelope Products and Services

Weatherproofing Technologies, Inc. (WTI) offers turnkey roof maintenance, roof repair, roof management and general contracting services for the entire building envelope. WTI is the affiliated construction services company of industry leader Tremco Roofing and Building Maintenance, a manufacturer of roofing materials since 1928.

WTI and Tremco Roofing are part of Tremco Construction Products Group, the industry's only provider of comprehensive systems and services for all six sides of the building enclosure. This collective expertise means you benefit from the breadth and depth of building envelope solutions for every environment, and the technical know-how to solve your most challenging building envelope issues.

- ✓ **COMPREHENSIVE ROOFING AND BUILDING ENVELOPE SERVICES:** restoration, repair, maintenance, roof and component replacement
