

Have You Considered Restoring Your Roofs Rather Than Replacing Them?

Not every failing roof needs to be replaced.

With today's advanced restoration technologies, old and failing roofs can often be saved if they meet certain construction and condition criteria. Industry leader **Tremco Roofing & Building Maintenance** can help you to determine if your roofs qualify for restoration. *Benefits include:*

**Efficient
Installation**

**Potentially Significant
Cost Savings**

**Minimized
Disruption**

**Waste
Reduction**

**Low- and
No-Odour Options**

What's more, you can procure your project through the Kinetic GPO Contract #RFSO 19-03 for Roofing Supplies and Services, Waterproofing and Related Products and Services.
